MEDITATION: John had to first deal with the empty tomb before he could meet the risen Lord later that evening along with the other apostles who had locked themselves in the upper room out of fear of the Jewish authorities (*John 20:19-23*). John testified as an eye-witness to the life, death, and resurrection of Jesus Christ: *What we have seen, heard, and touched we proclaim as the eternal word of life which existed from the beginning* (1 John 1:1-4). John bears witness to what has existed from all eternity. This "word of life" is Jesus the word incarnate, but also Jesus as the word announced by the prophets and Jesus the word now preached throughout the Christian church for all ages to come. One thing is certain, if Jesus had not risen from the dead and appeared to his disciples, we would never have heard of him. Nothing else could have changed sad and despairing men and women into people radiant with joy and courage. The reality of the resurrection is the central fact of the Christian faith. Through the gift of the Holy Spirit, the Lord gives us "eyes of faith" to know him and the power of his resurrection. The greatest joy we can have is to encounter the living Christ and to know him personally as our Lord and Saviour.
