Signs of Spring and the Weather

Knowledge Challenge		Week 2– My Local Area		
<p>Use a weather chart so that the weather is clear for a week. Sunny, sunny with a bit of rain, sunny with a bit of rain. What do you want to record? How is the weather like in the afternoon. What has the temperature been like? Use this by... Use the information about the types of clouds and the direction of the wind. Label the clouds and match the cloud type for a particular day. Use your chart to show the weather is like. Use the information to use in your report on Friday.</p>	<p>Spring Go for your daily walk with an adult. Focus on the signs that we see in the Spring season. When does the season of Spring begin and end? On your Spring walk...</p> <ul style="list-style-type: none"> Use your senses to really appreciate your surroundings. What evidence is there that we are in the season of Spring? Make a list, take photographs, record on a phone how you feel. <p>When you get home, create a poster about Spring - remember to include words and pictures and sentences to describe what you saw on your walk.</p> <p>If you want to, you could write a Spring poem to include your observations.</p>	<p>Find the map of the United Kingdom from your Home Learning Pack.</p> <p>What are the 4 countries of the United Kingdom (UK)?</p> <p>Name the capital cities of the 4 countries in the UK.</p> <p>Label on your UK map, the 4 countries and their capital cities.</p> <p>Label on the UK map the county and town you live in. This is in the South West of England.</p>	<p>The weather I know someone who has already done this!!! It was an amazing video.</p> <p>Watch the <i>Weather Presenters</i> on the television to give you a few tips on how to present the weather. Think about what else you need, how might you dress, what you might say, how you might act?</p> <p>Design and make weather symbols to represent the weather - sunny, sunny with a bit of cloud, cloudy, raining and more.</p> <p>Try to create your own wind symbols and check on the weather forecast for the direction of the wind . You could also try and draw a larger map of the United Kingdom to use to present your weather report.</p>	<p>The weather On Friday, rehearse your <i>Weather Presenters</i>. Use your information to make a weather chart so that you can see what the weather is like over the week and predict what the weather will be like over the week. Use your map of the United Kingdom and the weather symbols and ideas you are watching the <i>Weather Presenters</i> on TV to help you.</p> <p>After you have rehearsed a few times in front of your family it, it will be your chance to get sorted and then send it to us. Good Luck!</p>
